

World Environment Day

In line with the campaign initiated by the Government of India, ICAR-Central Institute for Research on Buffaloes, Hisar hosted plantation event on 29 August 2024. The global campaign “**ek ped maa ke naam**” was originally initiated on the occasion of World Environment Day (05 July 2024) for protection of Mother Nature and to achieve sustainable developmental goals. The plantation drive was organized under the guidance of Dr. T. K. Datta, Director, ICAR-CIRB, Hisar with an effort to enhance green cover of the country. The saplings of Banyan tree were planted in the Institute Campus. The Heads of the Divisions, Scientists, Technical Officers, Administrative and the Supporting Staff of the Institute actively participated in the programme.
